INTRODUCTION

This prospectus avails information on the hunting packages that are available in Tuli Safari Area. The sale of the hunting packages will be conducted by Desired Liaison Auctioneers on behalf of the Parks and Wild life Management Authority (PWMA). The packaged hunting camps will be sold off the shelf to local and foreign buyers.

TULI SAFARI AREA

Hunting in Tuli can be conducted from any one of its three (3) hunting camps Pakenham, North or South Camp. The three hunting camps are located on the western bank of the Shashe River hence access is strictly by 4x4 vehicles as hunters have to cross the Shashe River from the Tuli administration offices. Clients are expected to provide their own outfitting services.

For more information hunters should contact:

The Director General

Parks and Wildlife Management Authority - Head Office
National Botanical Gardens
Cnr Borrowdale Road/ Sandringham Drive
P.O Box CY140
Causeway
Harare, Zimbabwe

Telephone: +263-242-707624-9; 792786-9

Mobile: Matipano M. (Mrs): +263 77 183 2006; or mmatipano@zimparks.org.zw
S. Juwakinyu (Mr) +263 77 604 7269; or sjuwakinyu@zimparks.org.zw

RECEPTION NOTICE

The reception is located at Tuli Camp on the eastern bank of the Shashe River. The offices are open from 0700hrs to 1700hrs and all hunters are required to report to the office during these prescribed hours on entering and leaving the hunting area. Failure to report is an offence.

Tuli can be contacted on the mobile phones and email addresses below:

Mr. Robert Muzvondiwa (Area Manager) - +263 712 736303 or email:
rmuzvondiwa@zimparks.org.zw

GENERAL INFORMATION

The rules and regulations on the protection of Zimbabwe's natural resources are derived from the Parks and Wildlife Act (Chapter 20:14) and its ancillary regulations. In addition, the hunting

permit also has guidelines on the terms and conditions to be followed while conducting hunts within the parks and wildlife estate.

The Hunting permit can be obtained from the Parks and Wildlife Management Authority, Head Office, National Botanical Gardens, Corner Borrowdale Road and Sandringham Drive, Alexandra Park, Harare, from Monday to Friday (0800hrs to 1300hrs) and (1400hrs to 1630hrs).

NB: hunting permits should be collected and signed for, and will only be issued upon production of a **Desired Liaison Auctioneers** invoice, receipt and acceptable identification.

GENERAL ADVICE

Desired Liaison Auctioneers have taken all due care to ensure that all information printed and/or advised about the hunting camps' description is correct and accurate as no responsibility for any inaccurate description will be accepted. Purchasers are therefore urged to follow all the legal requirements of operating within safari areas and to familiarize themselves with the hunting permit as well as the Parks and Wildlife General Regulations.

THE HUNTING CAMPS CONDITIONS OF SALE

1. Hunting camps will be sold in United States dollars (US\$) to foreign bidders and in the local ZWL\$ to local bidders. **Please note that the hunting bags that will be purchased in the local ZWL\$ will not be exportable.**
2. **A RESERVE PRICE HAS BEEN SET FOR EACH HUNTING CAMP AND LOT.**
3. The hunting bags and extra animals will be sold on a first come, first served basis, subject to the reserve price and payment within seven (7) days. If full payment is not received within this period, the hunting camp(s) will be withdrawn and re-offered for sale to other buyers.
4. All purchases are subject to 15% VAT payable over and above the sale price.
5. Notwithstanding that the Auctioneer sells on behalf of a disclosed principal, such fact shall not preclude the Auctioneer from taking action in his/her own name for the recovery of any amount owing by the purchaser and for the purpose of this condition, the seller acknowledges the existing principal/agent relationship with the Auctioneer.
6. **NO REFUNDS** will be given for the camps for whatever reason.

7. The Auctioneer reserves the right to refuse a bid or withdraw a camp, bag or lot in line with the conditions of sale.
8. If for any reason legal proceedings arise regarding the sale, **Desired Liaison Auctioneers** shall deal with them in his capacity as the auctioneer.
9. All intending purchasers accept that they are aware of and understand the requirements of the Parks and Wildlife Management Authority to hunt in the areas being offered for sale. It is essential that buyers are familiar with the Parks regulations on their **HUNTING PERMITS**.
10. **Sale of Extra Animals:** These shall be sold as separate and independent lots in Tuli Safari Area. For eligibility to bid for these lot animals, a hunter must have purchased at least one hunting camp. These extra animals shall be hunted within the stipulated period of the purchased hunting camp(s).
11. **Resale of Purchased Camps:** Provided a hunt has not been cancelled by the Director General for any failure to comply with the terms and conditions of the sale or the hunting permit terms and conditions, or the provisions of the Act or any regulations made, the purchaser may be permitted to resell a hunt he has purchased in accordance with the circumstances set out in paragraph 11 of the Hunting Permit. Should the Director General authorize the resale of any hunt, the purchaser may only recover, from the subsequent purchaser (as approved by the Director General), at most the price paid by the bidder. **Desired Liaison Auctioneers** can only assist with the resale after the Director General's permission has been obtained. The new camp owner will have to pay 10% of the selling price to the Parks and Wildlife Management Authority.
12. Combining hunts will be allowed, however prior arrangements should be made with the hunting office and the officer in Charge at Tuli.

WEAPONS PROHIBITION AND RESTRICTIONS FOR HUNTING

Parks and Wildlife (General) Regulations, 1990 Third Schedule (Section 53)

In accordance with the provisions of sub-section 20 of these regulations:

No person shall use for hunting purposes:-

- a) Any rifle or shotgun capable of firing more than one cartridge as a result of one pressure on the trigger; or
- b) Any weapon with a barrel length of less than 500mm; or
- c) Pistol or revolver or a bow and arrow.

PART A

Buffalo

Elephant

Hippopotamus

Any person who hunts any animal specified in Part A of the Third Schedule shall use a weapon having a rifled barrel and propelling a projectile of not less than nine comma two millimeters in diameter with not less than five comma three kilojoules of energy at the muzzle;

PART B

Eland

Giraffe

Lion

Any person who hunts any animal specified in Part B of the Third Schedule shall use a weapon having a rifled barrel and propelling a projectile of not less than seven millimeters in diameter with not less than four comma three kilojoules of energy at the muzzle;

PART C

Crocodile

Kudu

Leopard

Sable

Waterbuck

Wildebeest

Zebra

Spotted hyena

Any person who hunts any animal specified in Part C of the Third Schedule should use a weapon having a rifled barrel and propelling a projectile of not less than seven millimeters in diameter with not less than three kilojoules of energy at the muzzle;

PART D

Bushbuck

Bush pig

Impala

Reedbuck

Warthog

Any person who hunts any animal specified in Part D of the Third Schedule should use a weapon having a rifled barrel and propelling a projectile of not less than five comma six millimeters in diameter with not less than eight hundred and fifty joules of energy at the muzzle.

Any person who hunts any animal except a bird or any animal which is specified in the Third Schedule excluding **Parts A, B, C and D** shall use:

- A weapon having a rifled barrel and propelling a projectile of not less than five comma six millimeters in diameter with not less than eight hundred and fifty joules of energy at the muzzle; or
- A smooth bore weapon with an internal barrel-diameter of not less than fifteen millimeters and propelling shot of an average diameter of not less than five millimeters.

Any person who hunts any bird shall use a weapon having:-

- A rifled barrel and propelling a projectile with not less than one hundred and fifty joules of energy at the muzzle; or
- A smooth-bore weapon with an internal barrel diameter of not less than ten millimeters.

FIREARMS

Hunters and their agents are advised to abide by Zimbabwean laws regarding the importation and transportation of firearms. Hunters should also not leave their firearms unattended at all times.

AGENTS

ONLY BONA FIDE ZIMBABWEAN RESIDENTS MAY ACT AS AGENTS.

Any prospective hunter who nominates **AN AGENT** to purchase hunts on his behalf does so **ENTIRELY AT HIS/HER OWN RISK**. It is a condition of sale that any hunter represented by an agent accepts the terms and conditions of sale as outlined in the prospectus.

CO-HUNTERS INFORMATION

The purchaser of a hunt shall furnish Zimparks with the name of his/her co-hunter at the time of obtaining his/her permit to hunt and the names of both hunters shall appear on the permit.

HUNTER DETAILS FOR TOURISM RECEIPTS ACCOUNTING SYSTEM FORM 2 (TRAS2) PROCESSING

The full details of the hunter including name, address, passport number, nationality and such other information shall be furnished to the officer in charge at Tuli Office for commencement of processing of the **TRAS2** for export of the trophies.

PURCHASE AND PARTICIPATION RESTRICTIONS

ONLY TWO HUNTERS shall be allowed to participate in each hunt. Hunters are allowed to **purchase more than one hunt but not exceeding 8 hunts in Tuli.**

The Director-General has the right to:-

- Cancel, withdraw and/or sell any hunt from the prospectus prior to the auction;
- Change the quotas or amend any errors that may occur or appear in the prospectus.
- No action pertaining to this, legal or otherwise may be brought against the Parks and Wildlife Management Authority, any representative of the Authority or the Auctioneer for any loss incurred.

UNSHOT ANIMALS

No refunds will be made for any unshot animal in the hunting bag and no animals shall be shot outside the stipulated period of the relevant hunt.

WOUNDED ANIMALS

All wounded animals count against the hunting bag and must be entered on the kill return form. The hunter must follow any animal wounded while it remains in the area allocated for the hunt, but may not hunt such animal outside the area prescribed. However the hunter should within 24hours advice the Appropriate Authority of the area in which the wounded animal would have taken refuge into of the presence of the wounded animal.

WOUNDING OF DANGEROUS GAME

The wounding of elephant, lion and leopard must be reported to the nearest convenient office of the Authority or police station within 24 hours.

SPECIALLY PROTECTED GAME

If any Specially Protected animal is killed or injured, except in terms of a permit, a report must be made to either the Authority or the Police.

SPECIES AND SEX OF ANIMALS

The **ONUS** is on the hunter to determine the species or sex of any animal he/she intends to shoot. Shooting of the wrong species or wrong sex of animal attracts a fine and the payment of the compensation value of the said animal. The trophy may also not be taken by client.

HUNTING OF DANGEROUS ANIMALS

If Hunters are inexperienced in the hunting of dangerous animals, they are urged to seek the assistance of Licensed Professional Hunters as the Director General will not be held responsible for any accidents that may occur during the hunts.

HUNTING RESTRICTIONS

While hunting the following are prohibited:

- Shooting within a distance of 400 meters from the main road;
- Shooting within 400 meters from a development area;
- Shooting from a motor vehicle;
- Shooting within 1 (one) kilometre of a recognized waterhole;
- Shooting females with dependent young at foot. If the hunter does so inadvertently, they should inform an Officer of the Authority as early as possible;
- Shooting at night, i.e. half an hour after sunset to half an hour before sunrise.

TRANSPORTATION OF TROPHIES AND HIDES

The hunting permit issued by an Officer of the Authority may be used as proof to show that the hides, skins, meat and any other trophies were obtained legally.

The Veterinary Department will issue a Veterinary Export certificate upon receipt of an export permit from the Parks and Wildlife Management Authority confirming the legality of the trophies to be exported.

Processing of Import and Export documentation into the country of destination shall be the hunter's responsibility.

It shall be the hunter's responsibility to ensure that all trophies to be exported comply with all CITIES Import/Export Regulation. Refer to Control of Goods (Import/Export) Wildlife Regulations S.I. 76 of 1997.

OCCUPATION OF CAMPS, VISITORS AND ENTRY PERMITS

The hunter, their hunting party and camp assistants may occupy their camps 24 hours before hunting commences after reporting to the Officer-in-Charge at Tuli Camp. They shall vacate the camp clean to the satisfaction of the Officer-in-Charge within 24 hours after their hunt.

In each camp the hunting party shall comprise of a maximum of two (2) hunters who may be accompanied by up to a maximum of eighteen (18) other persons whether visitors or camp assistants. The first eight (8) persons inclusive of the hunters are free. Any persons over and above the first eight are levied **US\$150-00 per person for the duration of their stay**. Thus the hunting party may not exceed a maximum of twenty (20) persons on aggregate for the period of the hunt. The entry fees are to be paid at Tuli Camp prior to entry into the hunting area.

LOCAL RULES AND CONDITIONS

Any local rules and conditions applicable to the hunting area(s) shall be communicated to the hunter on arrival and will form additional terms and conditions of the hunting permit.

INDEMNITY FORM

All persons must ensure that the indemnity form available at the entry point is completed in full, as the entry permit into the hunting area can only be issued when the indemnity form has been submitted duly completed and signed.

OFFICIAL INSPECTIONS

Parks Officials will periodically conduct inspections to confirm if hunters are abiding by the Parks rules and regulations. Any hunter caught on the wrong side of the law shall have their camp cancelled by the Director General and no monies shall be refunded.

NON-HUNTING TOURIST AREAS

There are small non-hunting areas within Tuli Safari Area and these include three botanical reserves (Pioneer, South Camp and Tolo River), the area around Fort Tuli and the Pioneer Cemetery. These are set aside for non-hunting tourists only and should be respected as such.

OBSERVANCE OF BOUNDARIES

The onus to ensure that boundaries are not crossed rests on the hunter, although there will be Parks Guides to accompany each and every hunt. Please note that the international boundary with Botswana is clearly marked and hunters are not allowed to go beyond the stipulated hunting area. Some roads and rivers define boundaries between hunting and non-hunting areas and hunting should be undertaken within the prescribed areas.

GUIDES

The hunting guides provided by the Authority have knowledge of the area and are employed for this purpose only. **THEY ARE NOT EXPERIENCED HUNTERS** and should not be relied upon as such. The hunting guides **ARE ALSO NOT** to be used as camp attendants, personal workers or gun-bearers.

SANITARY CONDITIONS IN HUNTING CAMPS

All hunters are legally obliged to burn or bury rubbish. Each camp has a disposal area so all unwanted hides, horns etc should be disposed therein. Basic facilities such as pit latrines are provided and hunters are required to remove all non-biodegradable waste matter out of the Parks Estate in order to maintain the camp area in a natural state.

MALARIA PRECAUTIONS

Hunters and those accompanying them are advised to take anti-malarial prophylactic before, during and after their visit. They are also advised to include mosquito nets and snake bite outfit in their camping equipment.

COVID 19

All hunters and those accompanying them are advised to abide by the WHO COVID19 guidelines throughout the duration of their stay in Tuli Safari Area.

WATER

It is advisable to **BOIL** all drinking water.

VELD FIRES

NEVER LEAVE A FIRE UNATTENDED. Precaution is essential to prevent uncontrolled veld fires. Causing veld fires is a punishable offense.

PROTECTION OF VEGETATION

It is an offence to damage the vegetation in the hunting area.

LABOUR

It is the hunter's responsibility to make arrangements to bring their own labour to assist them during the period of the hunts.

DOMESTIC ANIMALS

Domestic animals are not permitted into the hunting areas.
